- Improved athlete mile time by an average of 2:00 minutes during Fall 2018
- Design workout plans, conduct team communications & promote community; 2018 YCAL Boys Champions; 2019 YCAL Girls Champions

PROJECTS

Return Ready

Website developed at HackDavis 2020 designed to be a resource hub for people returning to the job search after an extended leave of absence.

Team Progress Tracker

Designed an app used by ~100 people to track individual progress and team statistics. The data enables me to analyze my coaching tactics and motivate athletes by highlighting their improvement throughout the season.
